They shall be measured eight feet (8') from the inside of each goalpost. These shall extend into the field of play for a distance of twenty feet (20'). A line connecting these two lines, parallel to the goal line, shall exist twenty feet (20') from the goal line. 1.7 CORNER MARK AND FLAG: A corner flag, the top of which shall be raised three feet (3') above the perimeter wall, shall be placed at a point along the perimeter wall at each corner of the field of play measured twenty feet (20') from the inside of the nearest goal post. A red corner mark, nine inches (9") in diameter, shall be placed three feet (3') inside the perimeter wall, directly below and perpendicular to the corner flag. The width and depth of the goalposts and crossbars shall not be less than four inches (4") nor exceed five inches (5"). The goalposts, crossbar and goal line shall have the same width. Nets shall be attached to the posts, crossbars and to the ground behind the goals. They should be appropriately supported and be so placed as to allow the goalkeeper ample room. The depth of the goal net shall be a minimum of five feet (5'). The goal post and crossbar shall be red in color.

1.9 REFEREE CREASE: In the neutral zone, inside the field of play at the halfway line, a semicircle having a radius of fifteen feet (15') shall be drawn from a point at the perimeter wall. The Assistant Referee shall stand at the halfway line outside the field of play adjacent to the Referee Crease. The Fourth Official shall be adjacent to the Assistant Referee.

1.10 PLAYER BENCHES: Player benches for each team must be placed on the opposite side of the field from the penalty boxes, timekeeper and Assistant Referee. Player benches must be separated from each other by a suitable partition of Plexiglas and bench areas must be protected from spectator areas by

suitable Plexiglas partitions at the rear and to the sides of each bench. Both player benches shall have identical measurements and two (2) doors, which shall be equidistant from the halfway line. All bench equipment should be equal for both teams from a competitive perspective. Benches are to be inspected by the Referee prior to the match. Any scenarios deemed to be a competitive advantage shall be reported to League Management for possible administrative action.

1.11 PENALTY BOXES: Penalty boxes for each team shall be adjacent to the Assistant Referee on the side of the field opposite the team benches. Penalty boxes shall be protected from spectator areas by suitable Plexiglas partitions.

1.12 CARPET: An artificial playing surface (carpet) shall be affixed to the surface of the playing field. The Referees are directed to stop play if, in their opinion, the condition of the carpet creates a situation which is dangerous to the players or is deemed critical to the position of the players or ball thus creating an unfair advantage to a player or a team. If play is stopped to attend to carpet problems, play shall be restarted in accordance with Rule 8.5. A report of carpet problems shall be made to League Operations.

1.13 PLEXIGLASS: League operations shall delineate plexiglass requirements. Referees shall stop play immediately should the Plexiglass be shattered while the ball is in play. Play shall be restarted in accordance with Rule 8.5.

1.14 GAME CLOCK: The game clock counts down the game time of each quarter and overtime period, while the ball is in play, and the intervals between quarters and any overtime. The game clock shall be clearly visible to the team benches, penalty boxes, and game official provided that it does not interfere with or obstruct the field of play. Besides game time, the game clock separately counts down and identifies Power Play time penalties. In case of a question over time remaining, the authority of the Referee supersedes any reading on the game clock. Officials must have a timing device in case of clock malfunction, so that time can be kept on the field.

1.15 HORN: Each game facility has a horn or buzzer, subject to the control of the Timekeeper, to be sounded upon the expiration of each quarter, any overtime period, and otherwise as set forth in Rule 6.

1.16 EXCEPTIONS: The Commissioner must approve any exception to specifications in Rule 1

1.17 FIFTEEN FOOT MARK: A 15-foot white mark, one foot by two inches wide (1' x 2") shall be marked 15' from the FREE KICK MARK (equal to 20' from the Goal Line) to delineate where defensive players must retire during free kicks from the top of the arc.

RULE 2 THE BALL

2.1 APPROVED BALL SPECIFICATIONS: The ball to be used is the MASL approved ball, which shall meet the following specifications: The ball shall be spherical and the outer casing shall be leather or other approved material. No material shall be used in its construction that might prove dangerous to the players. The circumference of the ball shall not exceed twenty-eight inches (28”) and shall not be less than twenty-seven inches (27”). The weight of the ball at the start of the game shall not be more than sixteen (16) ounces nor less than fourteen (14) ounces. The pressure shall be equal to 9.0-10.5 lb./sq inch.

2.2 BALL CHANGE: The ball shall not be changed during the game unless authorized by the Referee.

2.4 DEFECTIVE BALL: If the ball bursts or becomes deflated during the course of the match, the game shall be stopped and restarted in accordance with Rule 8.5. If the ball bursts or becomes deflated during a stoppage of the game or during a restart after a stoppage of the game, the game shall be restarted with the appropriate restart. If the ball bursts during the taking of a penalty kick, the kick shall be retaken unless it has rebounded from the goalkeeper, goalpost, or perimeter wall, in which case the game shall be restarted with a Drop Ball in accordance with Rule 8.5.

2.1. One team will supply a game ball and must meet these specifications. The ball must be a size 5.

2.2. LCS complies with this section.

2.3 The ball is the property of the team that supplies the ball.

2.4 LCS complies with this section.

RULE 3 PLAYERS, SUBSTITUTES AND COACHES

3.1 TEAMS: A game shall be played by two (2) teams, each consisting of not more than six (6) nor fewer than four (4) players on the field, one of whom must be the goalkeeper. If multiple time penalties are being served, there shall be a minimum of four (4) players per team, including the goalkeeper, on the field of play.

3.2 OFFICIAL LINE-UP: Not later than fifteen (15) minutes prior to the start of the game, the official line-up card shall be submitted to the Referees by each team. Changes to the line-up card may be made up until the start of the game due to player(s) injured during warm-ups. The Referee shall inform the opposing Head Coach in the event of a line-up change. Starter’s names shall be designated, and these players must be on the field of play at the start of the game. Goalkeepers must be designated on the line-up card, and no player so designated may serve as a 6th attacker. Any player not designated as a goalkeeper is eligible to play as a 6th attacker.

3.3 NON-PLAYING BENCH STAFF: Teams will be allowed a maximum of five (5) non- playing bench personnel (i.e., coaches, trainer, equipment manager, etc) who must be listed on the Official Line-up shall be subject to the authority and jurisdiction of the Referees. Bench staff must be in professional attire with pants and not team uniform or game shorts. The team doctor does not count towards either team’s five (5) maximum non-playing personnel. Suspended players and/or coaches shall not be permitted in the team bench area.

3.4 UNLIMITED SUBSTITUTION: **Playing with Too Many Players (“Too Many Men”):** During dynamic play, substitutions may be made at any time on an unlimited basis, provided the player substituted for is within the touchline at his own bench area, or off the field of play within his own bench area, before the substitution is made. Neither the player entering the field nor the departing player may participate in play or gain an advantage during a period of time when they are simultaneously on the field and the ball is in play (even if within the touchline). Such violation shall result in a 2-minute team power play penalty. It shall be the Coach’s choice as to which player serves the two (2) minute power play penalty which shall not accrue against that player for purposes of multiple accumulated time penalty ejection.

3.5 TIMED SUBSTITUTIONS: During guaranteed substitution occasions, teams shall be allowed fifteen (15) seconds to complete all player substitutions. A Team Warning shall be administered at the Referee Crease and announced by the Public Address Announcer shall be issued to the offending team for

RULE 3 PLAYERS, SUBSTITUTES AND COACHES

3.1 LCS complies with this section. In **COED** matches, there must be **two (2) female players** on the floor at all times. If a team has one (1) female player, they must play with five (5) players on the floor. If a team has zero (0) female players, the team forfeits.

3.2 Roster is supplied by LCS.

3.3 Adult teams are not required to have a coach or bench staff. All Youth teams must have one parent or licensed coach as a coach. Any coach, Adult or Youth, must conduct themselves in a responsible manner.

3.4 LCS complies with this section.

3.5 In LCS League Play, the guaranteed substitution opportunities are not timed, but must be taken in a timely manner.

its first violation. Subsequent violations shall be reported to League Operations.

3.6 GOALKEEPER SUBSTITUTION: Any teammate may change place with the goalkeeper at any time as per regular substitution procedures, provided that the goalkeeper wears a jersey that distinguishes him from the other players and the Referees. A goalkeeper who is substituting during dynamic play does not have to be within the touchline when the substitution is for a “6th attacker”. The goalkeeper must make a move towards the team bench and after doing so may no longer participate in play or interfere in any way. **A Violation shall be considered Too Many Players resulting in a 2-minute Team power-play penalty.** The only exception to this rule is when a team substitutes its goalkeeper while in possession of the ball during a delayed time penalty situation, in which case, the player replacing the goalkeeper does not need to wear a jersey which distinguishes him from the other players and the Referees during the delayed penalty situation.

3.7 GUARANTEED SUBSTITUTION: During guaranteed substitution occasions, teams shall be allowed fifteen (15) seconds to complete all player substitutions. The restart of play will be delayed to allow completion of substitution(s) on the following occasions:

- (a) After a goal has been scored.
- (b) After a time penalty has been assessed.
- (c) Injury timeout.
- (d) At any unusual stoppage acknowledged by a Referee.
- (e) After a team timeout or Referees timeout including approved timeouts designated by the League.
- (f) Prior to the start of the 2nd, 3rd, 4th quarters, and any overtime period.

3.8 INADVERTENT RESTART: If play is inadvertently restarted following a guaranteed substitution situation with either too many or two few players on the field, no penalty shall be assessed, and the game shall be restarted again properly.

3.9 TEAM CAPTAIN: Each team shall appoint a captain who shall be identified by wearing an official armband furnished by the club. No goalkeeper as designated on the lineup card or player/coach or assistant coach shall be permitted to be captain. In the event of a dispute or problem, the Referee will inform the team captain of the decision and each captain will advise his coach. Only when invited by the Referee shall the captain have the privilege of discussing any point relating to interpretation of the rules that may arise during the progress of the game. A protest or complaint about a penalty is NOT a matter “relating to interpretation of the rules” and a **five (5) minute Misconduct (non-Power Play) penalty**

3.6 LCS complies with this section.

3.7 LCS complies with this section for (a), (b), (c) and (d).

LCS plays halves and teams are allowed Guaranteed Substitutions during the Half time interval.

3.8 LCS complies with this section.

3.9 In LCS League Play, there is no designated “team captain.”

shall be imposed against any captain or other player making such protest/complaint.

3.10 INJURED GOALKEEPER: In a situation where a goalkeeper is injured, a team trainer, after being requested to enter the field of play, may attend to the goalkeeper. Following this attention, this injured goalkeeper may stay in the game. In any second situation and those thereafter, where a trainer is requested onto the field to attend to this particular goalkeeper, that injured goalkeeper must be removed from the field of play and shall not be permitted to rejoin play until the next guaranteed substitution or when the ball has gone over the perimeter wall. In the case where a goalkeeper returns before such guaranteed substitution or the ball has gone over the perimeter wall, play shall be stopped for such and a **five (5) minute Misconduct Technical Infraction penalty (non-Power Play) shall be assessed to that goalkeeper.** In cases where the trainer is summoned to treat an injury to a goalkeeper between periods, or at halftime, this shall not be considered a suspension of play for purposes of this rule if the start of play is not delayed as a result.

3.11 GOALKEEPER WARM-UP: In cases where a team’s trainer enters the field of play after being requested to do so by the Referee to attend to an injured goalkeeper, another goalkeeper from that team may warm up with a practice ball in close proximity to his team’s bench. Once the trainer leaves the field, the goalkeeper’s warm-up must conclude.

3.12 INJURED PLAYER: In cases where either team’s trainer is requested onto the field by the Referee to attend an injured player, excluding the goalkeeper (Rule 3.10), that player may not rejoin play until the next guaranteed substitution or when the ball has gone over the perimeter wall. For minor injuries Referees are advised to stop play only after the team having an injured player on the field of play has gained possession of the ball. Referees should stop play immediately for any injury deemed critical in nature, and any type of head injury, even if the appearance is minor in nature. In the case where a player returns before such guaranteed substitution or when the ball has not gone over the perimeter wall, play shall be stopped and will result in a **five (5) minute Misconduct Technical Infraction penalty (non Power Play)** against the offending player.

a) Concussion Protocol - The medical professional on site for each team will determine if a player has a concussion and whether it is safe for that player to continue to play in a game. The decision will default to the home team’s medical professional in the event the visiting team does not have a medical professional at the game. There needs to be verbal communication from the medical staff to the Referee before a player who left with a head injury can return.

3.10 LCS does not comply with this section in that a goalkeeper is not required to leave during the 2nd or subsequent injuries. However, a referee has the authority to require the goalkeeper to leave if the goalkeeper uses injuries to slow down play.

3.11 If able, a goalkeeper can warm up while an injured goalkeeper is leaving the field of play.

3.12 If a coach or another player (in absence of a team coach) is beckoned onto the field by a referee to attend to an injured player, the injured player must leave the field of play until play restarts. If the injured player refuses to leave, they will receive a **five (5) minute Misconduct Technical Infraction penalty (non Power Play).**

Referees should stop play immediately for any injury deemed critical in nature, and any type of head injury, even if the appearance is minor in nature.

Since there is no designated medical professionals, referees are advised to use an abundance of caution in potential head injuries. Do not allow a player to return to play with signs of a possible concussion (unsteady gait, prolonged holding of their head, disorientation, etc.)

3.13 PENALIZED PLAYER INJURY: If a penalized player is injured and requires medical attention, he may proceed to his team’s bench area, and a substitute may be designated by the coach to serve the injured player’s time penalty in the penalty box. In this case, the injured player may not rejoin play until the first guaranteed substitution or when the ball has gone over the perimeter wall following the expiration of his time penalty.

3.14 SUBSTITUTIONS ON RESTARTS: Goalkeeper distributions, corner kicks, kick- in’s, and foul restarts shall not be delayed for substitution purposes. Notwithstanding the above, if too many players are simultaneously on the field when the ball is in play and either player participates in play and gains an unfair advantage, this is an illegal substitution violation. **Such violation shall result in a 2-minute team power play penalty.** It shall be the Coach’s choice as to which player serves the two (2) minute power play penalty which shall not accrue against that player for purposes of multiple accumulated time penalty ejection.

3.15 BLOOD: The Referee shall send any player to his team bench who requires treatment for blood regardless whether the blood is his own or another’s, or is on his body or uniform. Following treatment, the player must show the Referee, prior to reentering at a guaranteed substitution or the ball over the perimeter wall, that he has covered any wound or that the blood has been adequately treated, the blood must be removed from the player's uniform and obtain the Referee’s approval. This shall be recorded by the AR and treated the same as an injury stoppage.

3.13 LCS complies with this section.

3.14 LCS complies with this section.

3.15 LCS complies with this section.

RULE 4 PLAYERS' EQUIPMENT

4.1 USUAL EQUIPMENT: The equipment of a player (during the entire game) is a shirt, shorts, socks, shin guards, and indoor soccer footwear. Numbers shall be required to appear on the back of the shirt and on the front of the shirt or shorts. In addition, the surname of each player shall appear on the back of his uniform and shall be in letters not less than three inches (3") in height. Socks are to be pulled to the knee, thereby covering the shin guards. Protruding apparel under the shorts, if worn, must be of the same color as the dominant color of the team's shorts. Players not conforming to League standards will be reported to the League operations for administrative action.

4.2 FOOTWEAR: A player's footwear must conform to the following standards: Flat soled shoes or other footwear designed for artificial surface must be worn. No footwear with fewer than thirty (30) molded mini-studs shall be permitted. A player who loses a shoe during the normal course of play may continue to participate until the next stoppage in play. Under no circumstances may a player leave the bench without shoes to participate. Players not conforming to League standards will be reported to League operations for administrative action.

4.3 SHINGUARDS: All players must wear shin guards during play. Shin guards are defined as protective equipment that is commercially available and made of suitable material to provide reasonable protection to the shins. A player who loses a shin guard during the normal course of play may continue to participate until the next stoppage in play at which substitutions are guaranteed. Under no circumstances may a player leave the bench without shin guards to participate. Players not conforming to League standards will be reported to the League operations for administrative action.

4.4 GOALKEEPER: Uniform and Equipment: The Goalkeeper's uniform should feature different colors than his teammates', opponents' and the game officials' uniforms. The goalkeeper uniform and equipment shall conform to MASL guidelines. Goalkeepers must wear pants with the length extending below the knees. The goalkeeper's dominant jersey color(s) shall be completely different than his team's jersey color(s) and that of the opponents. While the goalkeeper's shorts and socks may be the same as the rest of his team, the League strongly encourages the goalkeeper to wear an entire outfit that completely contrasts that of his team's. Each team should carry an extra, unnumbered goalkeeper jersey for a player not normally a goalkeeper who is substituted at goalkeeper for

Socks need to be over the shinguards to protect other players. Plastic on skin contact does not feel good. Socks do not need to be uniform amongst teammates nor uniform with entire kit.

Players not conforming are to leave the field of play until they conform.

4.3 LCS complies with this section. Players not conforming are to leave the field of play until they conform.

whatever reason. Any field player who replaces the goalkeeper must wear a goalkeeper jersey, except in delayed time penalties situations. The goalkeeper may wear protective headgear if approved by the League.

4.5 DANGEROUS EQUIPMENT: Players shall not be permitted to wear necklaces, chains, or bracelets at any time during the playing of the game. Players not conforming to League standards will be reported to the League operations for administrative action. Rings shall not be worn; however if a player is unable to remove a ring, he shall be required to properly tape the ring to his finger to ensure that it does not present a danger to him or other players. Any cast worn must be properly padded to the satisfaction of the Referees. If a Referee finds that a player is wearing articles not permitted by the Rules and/or constitute a danger to him or other players, he shall order the player to properly pad or remove the dangerous articles.

4.6 INFRINGEMENT: For any infringement of this rule, the player at fault shall be sent off the field of play to adjust his equipment and he shall not return without first reporting to a Referee, who shall be satisfied that the player’s equipment is in order. The player shall only enter at a guaranteed substitution. **A 5-minute Misconduct non power play penalty** shall be assessed to the offender who enters the game in breach of the conditions of this Rule having failed to carry out the equipment adjustment as ordered.

4.5 Referees are to have any equipment on players deemed dangerous removed. Generally, dangerous equipment in adult leagues is more lenient. Fitness trackers are encouraged to be covered by a wrist band.

The authority of the Referees commences when they enter the arena. The Referees are responsible for the record of the game, the control of the timekeeper and allowing the full or agreed time, adding time lost through accident or other cause. When referenced anywhere in these Rules, the word “Referee” shall refer to both Referees on the field of play and for purposes herein the male gender shall refer to both male and female. 7.2 INTERVALS BETWEEN PERIODS: A three (3) minute time interval shall be provided between the first and second quarter, third and fourth quarter and between any overtime periods. There shall be a fifteen (15) minute halftime intermission. Teams must receive League approval and notify the Referees and opponents if halftime is longer than 15 minutes. With thirty (30) seconds remaining in each of the above-described intervals (i.e. after 2:30 has elapsed between quarters and 14:30 at halftime), the arena horn/buzzer will sound to advise teams to immediately prepare to start the game as soon as the clock is reset following the second horn/buzzer signaling the end of the interval.

7.3 TIMEOUTS:

(a) Team Timeout: Each team shall be allowed a maximum of two sixty (60) second timeouts per game, requested by a player legally on the field of play or the Head Coach. A player shall request a timeout by making the “T” sign with both hands. Such requests for timeout may only be made to the Referees on the field of play (not the Assistant Referee) at a normal stoppage when that team is in possession of the ball on the ensuing restart. The goalkeeper may request a timeout when the ball is in his possession (in both hands or one foot on the ball unchallenged) within his penalty area.

1. Overtime: Each team shall be allowed one sixty (60) second timeout per overtime period.

2. Inappropriate Request: If a goalkeeper signals or requests a timeout at an inappropriate time or place, the Referee shall stop play and award a free kick to the opposing team at the Free Kick Mark.

unusual penalty situation for the purpose of sorting out time penalties and clarifying the circumstances to the Public Address Announcer. During such timeout all players must return to the vicinity of the player benches and no player including the team captains shall be permitted in the area of the Referee Crease. Such violation shall be considered a **five (5) minute Misconduct non- powerplay penalty.**

(c) Media Timeouts: One timeout of 60 seconds duration per quarter during regulation.

1. The Media timeout shall be taken at the first stoppage under 8:00 minutes remaining on the scoreboard clock (7:59 or less showing). Media Timeouts should be taken immediately after the following:

- Ball over the wall (Kick-in, GK Distribution, or Corner Kick)
- Goal
- Time Penalty
- Injury Timeout
- Team Warning administered at the Referee Crease

If any timeout occurs between 15:00 and 8:00 minutes remaining in each quarter on the scoreboard clock it also will serve as the Media Timeout. Referees should inform the PA Announcer and both team benches when a timeout also serves as the Media Timeout.

2. No Media Timeouts shall be taken during overtime.

3. At the direction of the Commissioner, Media Timeouts may be modified for televised games.

7.4 OVERTIME PERIOD: If the score is tied at the end of the fourth quarter, an overtime period for the purpose of determining a winner according to the following procedure will be conducted:

(d) The home team shall decide the choice of ends, and the visiting team shall take the kick off.

(e) Overtime Duration: The overtime period shall be ten (10) minutes. It shall be a sudden victory period with the team which scores first declared the winner. If the game is still tied after the ten (10) minute overtime period, the game will be determined by a five (5) second Shootout procedure (best of three rounds, then sudden victory shootout kicks).

(f) Shootout Procedure: The player taking the shootout attempt has five (5) seconds from the time the referee’s whistle sounds to legally score a goal. If the ball has not legally crossed the goal line prior to the expiration of five (5) seconds, no goal shall be awarded. During the five seconds, the ball is live and rebounds are in play. A player of the same team cannot take another shootout kick until three (3) kicks are taken. The home team shall decide the goal used to defend, and the visiting will kick first.

7.4 There shall be no Overtime Period or Shootout Tiebreak in any LCS League game. If there is an exception to this rule, it will be outlined in the Rules of Competition.

(g) Playoffs: If a winner has not been decided in the first overtime period, additional ten (10) minute sudden victory overtime periods shall be played until a winner is declared.

(h) Each ten (10) minute overtime period is treated as a quarter in regards to individual players' Four Foul Penalty.

(i) Foul accumulations toward a player's Six Foul Rule (ejection) (12.8) does not reset, fouls accumulated during regulation play will carry over into overtime.

(j) Any time penalties in progress at the end of regulation play will continue into overtime, time penalties do not reset after regulation.

7.5 MINI-GAME (Playoffs Only): If the playoff series is tied after the 2nd game, there will be a 3rd "mini game", which will be treated as an entirely new game. The 1st period of the "mini-game" will be a full 15 minute period. New lineups will be submitted just like the start of a new game. If tied after the 1st full 15-minute period, additional overtime periods of 10-minutes "golden goal" periods will be played. The mini game will begin 15 minutes after the conclusion of the prior game. Accumulated time penalties and fouls will not carry over from the prior game to the mini game with the exception of red cards. A player issued a red card in the prior game will be suspended for the mini-game. Teams will be permitted two (2) 60-second timeouts per mini-game. There will be no media timeouts. Each period will be treated as a quarter in regards to player foul accumulation. If a player accumulates 4 fouls in two periods the penalty is a 2-minute power play.

7.5 There shall be no Mini-Game in any LCS League game.

RULE 8 THE START OF PLAY

8.1 BEGINNING THE GAME: The home team shall decide the choice of ends, and visiting team shall take the kick off. After the Referee has whistled, the game shall be started by a player taking a kickoff (i.e. a kick at the ball while it is stationary in the center of the field of play). Every player of the team opposing that of the kicker shall remain not less than fifteen feet (15') from the ball. Players from both teams shall remain in their own halves of the field until the ball is in play. The ball shall be deemed in play when it has been played (touched) in any direction. The kicker shall not play the ball a second time until another player has touched it. Playing the ball twice includes instances where a player taking the kick plays the ball off the perimeter wall to himself, before it has been touched by another player. A goal can be scored directly from a kick off.

8.2 AFTER A GOAL HAS BEEN SCORED: The game shall be restarted in like manner (Rule 8.1) by the opposing team.

8.3 AFTER THE END OF EACH QUARTER: The next quarter will begin after a three (3) minute break with the teams switching sides, and the team that did not kick off the previous quarter will kick off to begin the new quarter.

8.4 PUNISHMENT: For any infringement of this Rule, the kick off shall be retaken, except in the case of the kicker playing the ball again before it has been touched by another player. For this offense, a player of the opposing team shall take a free kick.

8.5 RESTART - CAUSE NOT MENTIONED: In any situation where a team has clear possession of the ball when play was stopped for any cause not mentioned in the rules, the team with possession shall be awarded a free kick. When restarting the game after a stoppage of play for any cause not mentioned elsewhere in these Rules and neither team was in possession, the Referee shall drop the ball at the place where it was when play was stopped and it shall be deemed in play when it has touched the ground. When restarting the game after a stoppage of play, which occurred while the ball was inside the penalty area, the Referee shall drop the ball at the Free Kick Mark. Once the ball has touched the ground, a player may play the ball twice (or more times) in succession. A player shall not play the ball until it has touched the ground. If this Rule is not complied with, the Referee shall again drop the ball.

8.6 FOUR SECOND PLAY REQUIREMENT: Failure by a team to put the ball into play within four (4) seconds after the Referee has signaled the ball ready for play or by the blowing of the whistle, shall result in a possession turnover to the opponent. A whistle to restart play is required after a four second play requirement violation.

8.1 The West (Futsal Field) Side team will always Kick Off each half.

8.2 LCS complies with this section.

8.3 LCS complies with this section, except that we use halves instead of quarters.

8.4 LCS complies with this section.

8.5 For LCS league play, it is advised to utilize the FIFA Outdoor/Futsal drop ball procedure of an uncontested Drop Ball for the team in possession at the time of stoppage. If the ball was in the Penalty Area at the time of stoppage, the ball is dropped uncontested for the Goalkeeper.

8.6 For LCS league play, failure by a team to put the ball into play within **five (5) seconds** after the Referee has signaled the ball ready for play or by the blowing of the whistle, shall result in a possession turnover to the opponent. A whistle to restart play is required after a five second play requirement violation.

RULE 9 BALL IN AND OUT OF PLAY

9.1 BALL IN PLAY: The ball is in play at all times from the start of the game to the finish, including:

- (a) If it rebounds from a goalpost, crossbar, corner flag post or perimeter wall into the field.
- (b) If it rebounds off a Referee when he is on the field of play.
- (c) In the event of a supposed infringement of the Rules until a decision has been made by the Referee.

9.2 BALL OUT OF PLAY: The ball is out of play:

- (b) When it has made contact with any part of the building superstructure above the field of play. For such contact, a free kick will be awarded to the opposing team at the Shootout Mark nearest to the yellow line to where the ball was last played.
- (c) When the game has been stopped by the Referee.
- (d) In situations where the ball becomes lodged between sections of glass or the perimeter wall, it shall be considered put out of play and the Referees shall restart play with a Drop Ball in accordance with Rule 8.5.
- (e) When the ball makes contact with anyone who is on the team bench.

9.1 LCS complies with this section.

9.2 LCS complies with this section unless otherwise noted.

(b) When it has made contact with any part of the building superstructure above the field of play. For such contact, a free kick will be awarded to the opposing team at the Shootout Mark nearest to the yellow line to **where the ball was when it contacted the superstructure.**

(e) If the ball makes contact with anyone who is on the team bench, and the part of the body struck by the ball is over the wall and on the field of play, the restart will be to the opposing team to that player, no matter who last touched the ball.

RULE 10: METHOD OF SCORING

10.1 LEGAL GOAL: Except as otherwise provided by the Rules, a goal is scored when the whole of the ball has passed over the goal line prior to the start of the buzzer sounding, between the goal posts and under the crossbar, provided it has not been thrown, carried or intentionally propelled by hand or arm, by a player of the attacking side, except in the case of a goalkeeper who was within his own penalty area when he legally propelled the ball.

10.2 SCORING: All goals shall be of equal value, one (1) point each goal. The team scoring the greater number of goals during the game shall be declared the winner.

10.3 OUTSIDE INTERFERENCE: A goal cannot, in any case, be allowed if the ball has been touched and/or prevented by some outside agent from passing over the goal line. If this happens in the normal course of play, other than at the taking of a penalty kick (see Rule 14), the game shall be restarted in accordance with Section 8.5

10.1 LCS complies with this section. **Exception: When the ball strikes an attacker's hand/arm and the attacking team scores immediately or has an immediate goal scoring opportunity, the Referee(s) shall call a handling offense, no matter the deliberate nature of the offense. This is to mirror FIFA Outdoor/Futsal Laws.**

10.2 LCS complies with this section.

10.3 LCS complies with this section.

RULE 11 DELAY OF GAME: VIOLATIONS

11.1 THREE-LINE PASS: If a player plays the ball over three lines (two yellow lines and halfway line) in the air towards his opponent's goal line, without it touching another player, the perimeter wall or a Referee on the field of play between the yellow lines, the Referee shall award a free kick to the opposing team at Shootout mark of the first yellow line that the ball crossed. Exception: the goalkeeper is permitted to throw the ball over three lines.

2-MINUTE POWER PLAY PENALTIES – HIGHLIGHTED IN BLUE

5-MINUTE MISCONDUCT (NON-POWER PLAY) – HIGHLIGHTED IN YELLOW

REPORTABLE ADMINISTRATIVE OFFENSES – HIGHLIGHTED IN YELLOW

EJECTIONABLE OFFENSES – HIGHLIGHTED IN RED

12.3 PENAL TIME PENALTIES: A two (2) minute Power Play time penalty may be assessed against players for committing any of the offenses outlined in Rule 12.1 (a) – (p) committed while the ball is in or out of play when deemed by the Referee to be severe, tactical, or blatant in nature. A time penalty must be assessed for incidents of: boarding, contact to a player’s head, neck or face area, elbowing, spitting, striking, and two-footed tackling (regardless if the player gets the ball). These penalties shall be administered by the showing of a Blue Card by the Referee and shall be two (2) minutes in length. **In situations of a foul or incident being so severe as to warrant an Ejection, a two-minute Penal time penalty accompanies the ejection** and served by a teammate (Coach’s choice) of the player ejected.

not be served by the goalkeeper but rather served by a teammate (Coach’s choice). A blue card penal two (2) minute power play time penalty does not count towards a player’s four (4) foul accumulation.

12.5 SIX FOUL EJECTION: Any player who accumulates six (6) fouls in a game will “foul out” of the game and be issued a red card ejection. No powerplay and no suspension will accompany a six (6) foul ejection. All player fouls will carry over from regulation into overtime. A blue card penal two (2) minute power play time penalty does not count toward a player’s six (6) foul accumulation.

12.6 DELAYED TIME PENALTIES (Blue or Yellow Card Advantage): In situations where the Referee would want to penalize a player for an infraction by issuing a time penalty while at the same time wishing to apply the advantage clause of Rule 5, the Referee shall acknowledge the foul or infraction and signal that the advantage is being continued by raising a card above his head and maintaining that signal until such time as:

(a) Opponent Possession: The offending team gains control of the ball, upon which time the Referee shall signal the foul or infraction by means of a whistle and appropriately penalize the offending player. Play is restarted as a free kick at the spot of the original foul that created the delayed penalty. Possession shall be defined as a player having clear control of the ball for more than one (1) second.

(b) Stoppage of Play: The Referee stops play by whistling any other stoppage (i.e. foul by either team or ball out of play). The player guilty of the foul that initiated the delayed penalty shall be appropriately penalized. If the ball goes out of play during the Delayed Time Penalty situation the restart of play is the appropriate restart for the ball out of play (i.e., kick-in, corner kick, goal keeper distribution). If another foul is committed during the Delayed Penalty situation by either team the restart of play is with the foul that was committed that stopped the play. If a foul is committed during the advantage worthy of a second time penalty, both penalties shall be assessed and appropriately served.

(c) Goal: If a goal is scored during the Delayed Penalty advantage the offending player’s penalty shall be recorded for accumulation purposes, but shall serve no time. A previously penalized player who is in the penalty box serving penalty time shall also be released in the event of a power play goal.

12.7 ADDITIONAL POWER PLAY PENALTIES: As delineated elsewhere in the Rules, a two (2) minute Power Play Penalty shall be issued for the following:

(a) Playing with Too Many Players (Rule 3.4)

12.8 MISCONDUCT PENALTIES: A five (5) minute Misconduct Penalty shall be assessed against players who show disapproval, by word or action, of the decision by the Referee or other Game Officials or acts in a severe Unsportsmanlike Manner. These penalties shall be administered by the showing of a Yellow Card and shall be five (5) minutes in length. Misconduct penalty time shall not be entered on the arena scoreboard. As no power play is awarded to the opposing team, the offending player may not exit the penalty box until the first guaranteed substitution or when the ball goes over the perimeter wall and is out of play, after his penalty time has expired. A misconduct penalty assessed to a goalkeeper shall not be served by the goalkeeper but rather served by a teammate (coach's choice). A player whose misconduct penalty expires, does not have to report to the bench, he may go directly on the field as a player. Similar misconduct by bench personnel (non-players) shall be recorded for purposes of accumulation accumulation toward an ejection for that individual.

(a) **Misconduct by Non-Players:** No penalty times is served for misconduct involving non-playing bench personnel.

(b) **Bench Misconduct:** Bench Misconduct shall be defined as physical or verbal abuse of the Referees where the offender is not identifiable. (c) **Game Delay (Team Misconduct):** Should a game be delayed because a team is not present or prepared to play, the head coach shall be assessed a Misconduct penalty. This rule shall apply to the commencement of the game; and to its recommencement after a timeout, at the conclusion of the halftime interval, after the interval between quarters, as well as any other recommencement during the course of the game.

(d) **Ball Played or Thrown off the Playing Field:** During a stoppage of play immediately following a goal, should a player intentionally kick, throw or play the ball off the playing field, such player shall be assessed a five (5) minute Misconduct non power play time penalty.

(f) **Major Penal Penalty:** A player who commits a foul, that in the opinion of the referee is more severe than a two (2) minute penal penalty, but not severe enough for an ejection may be assessed a five (5) minute Major Penal Penalty in addition to the two (2) minute power play penalty. A teammate must serve (Coach’s choice) the two (2) minute power play portion. The penalized player must serve the entire seven (7) minute penalty and will have accumulated two penalties toward ejection (12.10h).

(g) **Simulation/Embellishment:** A Team Warning will be issued for a player who attempts to gain a foul or time penalty by faking or embellishing contact. A second violation by any player on that team will result in a five (5) minute Misconduct non-power play penalty.

(h) **Referee Crease:** During any timeout where the Referees are conferencing to discuss penalties or a game situation, players must return to the vicinity of the player benches and no player including the team captains shall be permitted to enter the Referee Crease or in the immediate area of the Referee Crease. Such violation shall be considered a five (5) minute Misconduct non-powerplay penalty.

- (4) Player interferes in shootout procedures
- (5) Player commits delay of game violation, after a Team Warning.

- (7) Player leaving early on a shootout, after a Team Warning.

1. Delay of Game: Players shall not engage in tactics that delay the restart of the game immediately following the Referee’s whistle to stop play. A Team Warning will be issued on each team’s first occurrence. Subsequent violations will result in a five (5) minute misconduct penalty assessed against the guilty player.

(f) **LCS mechanic is to show the Blue Card immediately followed by the Yellow Card.** For the purposes of Time Penalty accumulation, the offending player will accumulate two (2) Time Penalties for this one offense.

(h) **LCS floor does not have a Referee Crease marked.** If the referees must discuss a decision, all players are required to give distance for this discussion. If a player refuses to comply, a five (5) minute non-power play penalty may be assessed.

- (i) Six Player Fouls (no power play) (see Rule 12.5)

Ejected Coach or Non-playing bench personnel restrictions (No Powerplay): No powerplay accompanies such ejection. An ejected coach or non-playing bench personnel may not, from the time of his ejection until the conclusion of the game, have any communication with his team's players in the arena, exclusive of his team's dressing room. This prohibition shall include any type of communication through gesticulation, radio, electronic device, or otherwise. The Referees shall report any such action to League Management.

12.11 DURATION/EXPIRATION OF TIME

PENALTIES: Two-minute Penal time penalties issued to players shall be subject to the following concerning duration and expiration of penalty time. A player whose time penalty has expired must immediately leave the penalty box, subject to other restrictions in this Rule.

(a) Power Play Goal: If a team is reduced to a lesser number of players on the field of play than its opponents due to time penalties, and such team is scored upon by its opponent, then the player having the least amount of un-expired Power Play time remaining may return. (This includes cases where a Power Play goal is scored during a delayed blue or yellow card.) This also includes goals scored on a Shootout. The first player into the penalty box is the first player out.

penalties and a third player receives a power play penalty, the third player must go to the penalty box. He shall, however, be replaced by a substitute on the field since four (4) field players must be on the field. The penalty time for the third player will not begin until that of the first player has elapsed. The first penalized player shall not return to the field until the ball has left the field of play after the expiration of his penalty time or the opposing team scores a goal. Should both the first and second penalties elapse while all three players are still in the penalty box (the team is now entitled to five field players), then the first penalized player may rejoin play. Likewise, in the case where the third player's penalty elapses, the second player may rejoin play. In the final case, the third player may exit the penalty box at the first guaranteed substitution or ball over the perimeter wall after the expiration of his penalty.

(d) Multiple Penalties: For multiple time penalties assessed against a player in a single instance the following shall apply:

1. A player who is assessed two separate penal time penalties (blue cards) in a single instance (same time on the game clock) creates a 4- minute powerplay (5 v 4) scenario. If a goal is scored during the first penalty (between 4:00 – 2:01) the first penalty is expired and the penalty clock is reset to 2:00 which begins the second time penalty.

2. A player who is assessed a penal time penalty (blue card) and a misconduct penalty (yellow card) in a single instance (same time on the game clock) shall serve the entire accumulated time (7 minutes). He shall be joined by a teammate in the penalty box (Coach's choice), who shall return to play at the conclusion of the power play time penalty as a field player.

Penalty Box Exit: Once a player enters the Penalty Box, he shall remain there for the duration of his penalty time; he shall not be released to join his team at time outs or at quarter breaks. A player shall not leave the penalty box unless released at one of these occasions:

- (1) The expiration of his time penalty, provided that his release does not place too many players on the field (when three or more players are serving time penalties)
- (2) At the end of half he would be allowed to go into the locker room.
- (3) A Power Play goal is scored against his team (and his penalty has the least remaining time among his penalized teammates, if any)
- (4) Should a player leave the penalty box prior to the expiration of his time penalty to participate in play, this

shall be considered a (5) five minute Misconduct Technical Infraction.

(5) Should a player leave the penalty box prior to the expiration of his time penalty to participate in dissent or an altercation, this shall be considered Violent Conduct and he shall be ejected.

(f) Penalty Box Decorum: Penalized players must go directly to the Penalty Box immediately following the signal by the referee, a player failing to do so will be assessed a Delay of Game 5-minute Misconduct penalty (12.8f). - Superstructure (Yellow Line) (Rule 9.2)

13.3 RESTART REGULATIONS AND

RESTRICTIONS: If a team commits an infraction causing a stoppage of play, the opposing team is awarded a "free" kick restart. The Referee may allow a free kick to be taken from a point within a three-foot (3') radius of the point of infraction unless, in his opinion, a team gains an unfair advantage in which case the kick shall be retaken. Before a free kick is taken, the ball must be stationary and the kicker shall have four (4) seconds within which to play the ball after being spotted and signaled to play by the Referee.

- (a) A goal may be scored directly against either team from any restart.

(a) **Restart:** Infraction in defensive penalty area: The restart for any infraction committed by the attacking team in the defensive penalty area will be a Goalkeeper Distribution (see 13.6).

(b) **Free Kick Originating in Attacking Penalty Area:** Any free kick awarded to the attacking team for a foul or an infraction which occurred in its opponents' penalty area shall be taken at the Free Kick Mark (top of arc), unless a two (2) minute blue card power play time penalty is awarded for the foul. In which case the restart would be a Penalty Kick.

(c) **Pass-back:** The free kick occurring after a goalkeeper pass-back is taken at the Free Kick Mark (top of arc).

(d) **Delayed Penalty:** The restart occurring after a delayed Blue Card is taken in accordance with the applicable section of Rule 12.6.

(j) **Three-Line Pass Violation:** The restart of a three-line pass violation shall be taken at the offending team's defensive Shootout Mark (yellow line).

(k) **Infraction in Bench Area/Penalty Box:** If play is stopped for an infraction which occurred in the bench area or penalty box, the game shall be restarted with a free kick taken by a player of the opposing team from the place where the ball was when play was stopped subject to exclusions in Rule 13. - (1) If a player of the opposing side encroaches into the penalty area or within fifteen feet (15') of the ball before a free kick is taken, and a member of the team taking the kick requests compliance with Rule 13.1, the Referee shall delay the taking of the kick until the player complies. If upon the request of the Referee that player does not comply by immediately retiring the proper distance, he shall be considered guilty of encroachment.
- (2) If a defending player within fifteen feet (15') intentionally interferes with the taking of a free kick, he shall be considered guilty of encroachment. For the first violation, the Referee shall issue a formal Team Warning at the Referee Crease to the offending team. For any subsequent violation after being warned for encroachment, this shall be considered a Misconduct-Technical Infraction resulting in five (5) minute penalty assessed against the offending player

13.5 DROP BALL RESTART: If neither team has clear possession of the ball at a stoppage, the Referee restarts play with a Drop Ball where the ball was when play was stopped. A Drop Ball originating while the ball is inside a penalty area takes place at the Free Kick Mark. Once the ball contacts the ground untouched the ball is “in play.” In situations where the ball becomes lodged between sections of glass or unplayable at the base of the perimeter wall, it shall be considered out of play and the Referees shall restart play with a Drop Ball.

(a) The Referee may also stop play and restart with a drop ball in scenarios where the ball is jammed up against the boards by two or more opponents and not moving.

13.6 GOALKEEPER DISTRIBUTION: Play restarts with a goalkeeper distribution by hand after an attacking player has last touched the ball before crossing the perimeter wall between the corner flags, for any infraction committed by the attacking team in the Penalty Arc or after a timeout initiated by the GK in his own penalty area. The distribution shall be taken from any point within the penalty area by the goalkeeper. The ball is considered in play once it travels outside the penalty area. The following provisions also apply:

(a) **Referee Whistle:** The Referee hands the ball to the goalkeeper and whistles to alert the timekeeper to the restart. Time shall commence when the ball leaves the penalty area. Goalkeeper must have one foot on goal line before referee will toss the ball to initiate Goalkeeper Distribution.

(b) **Player Positions:** Opposing players remain outside the penalty area until the ball leaves the penalty area.

13.5 For LCS League play, **utilize the FIFA Outdoor/Futsal Drop Ball Procedure.** If the play is stopped inside the Penalty Area, drop the ball unopposed for the Goalkeeper. Any other stoppage, drop the ball unopposed for the team in possession of the ball where the ball was at the time of the whistle.

13.6 For LCS League play, **the Goalkeeper does not need to be on their Goal Line nor does the referee have to blow their whistle and toss them the ball.**

Utilize the **FIFA Outdoor/Futsal restarts inside the Penalty Area procedure for Goalkeeper Distribution.** The opposing players must be outside the Penalty Area, but players of the same team as the Goalkeeper can be inside the Penalty Area. The ball is in play when the Goalkeeper releases the ball. The ball no longer has to come outside the Penalty Area to be in play.

(c) **Goalkeeper Infraction:** A goalkeeper taking a distribution may not play the ball again after it has left the penalty area until it is touched by another player. Otherwise, the opposing team shall be awarded a free kick where the violation occurred.

(c) LCS complies with this section.
